Greetings Brother's,

It was great hearing from some of you with excitement of working on our Alpha Brotherhood, Business, and Service. My motto and aim coming into our new season is **"Doing What We Can – Not What We Want"**. Sometimes we can't achieve what we want due to the low resources and manpower. So, I'm asking for each of you to reach into your personal life and find a little time to help your Chapter. Let us know what you **CAN** do with hopes you're a Brother of his word. Every little bit means a bunch and we need all Brother's on deck. Looking forward to seeing you all soon!
