**G**reetings,

On behalf of the Brothers of Kappa Upsilon Lambda Chapter, the Mid-Hudson Valley Alphas, and the KUL Foundation, I bid you Welcome to Our **2023 Scholarship Dinner Dance!**

Tonight is a Celebration! In accordance with our theme for the evening ***“Making a Difference Today to Help the Future of Our Youth”***, we honor ALL those that have chosen to be part of the Educational Systems of their local municipalities and work to help ensure that our future, Our Youth, understand the importance of getting a good education, of going to high school, obtaining a diploma, and going on to college, the importance of scholastic achievement in all fields – the importance of ACADEMIC EXCELLENCE .. the importance of SCHOLARSHIP! .

Over 116 years ago, the Founders of Alpha Phi Alpha Fraternity understood that importance as they came together in 1905 at Cornell University and formed a study group that would be the precursor to the Fraternity. The Founders of this Fraternity knew the importance! All Men that wear the Old Gold and Black of this Illustrious Band of Noble Men know the importance. And we are tasked to make sure that our youth understand why their future success is paramount to all of us!

We salute and celebrate that today. But, we also celebrate those that honor us with their unwavering support of our charitable endeavors year to year...the People of the Mid-Hudson Valley! Your attendance this evening is a great and physical testament to that. We truly appreciate you. And on behalf the Chapter, we say a hearty **“Thank You!”** Enjoy your evening!

Sincerely and Fraternaly,

Good evening,

To the family, friends, Devine Nine Members, my Brothers in Alpha and supporters of the Kappa Upsilon Chapter, welcome to our 49<sup>th</sup> Anniversary Celebratory Gala. The theme of this year's gala is "**Making a Difference Today, to Help the Future of Our Youth**". Your generous support of this gala ensures that the Kappa Upsilon Lambda Chapter will be able to continue to provide Scholarships to deserving African-American males High School Seniors going off to college and to young African-American men enrolled at SUNY New Paltz. This is keeping with the Fraternity's Mission Statement "Alpha Phi Alpha Fraternity, Inc, Develops Leaders. Promotes Brotherhood and Academic Excellence, While Providing Service and Advocacy for Our Communities." The chapter is pleased to be able to continue to provide these scholarships.

Kappa Upsilon Lambda continues to be very active in the communities we live in and serve. This includes participation in: The E.M.E.R.G.E Program, My Brother's Keeper, Newburgh Armory Center Saturday, Food Distribution in Orange, Dutchess and Ulster Counties, Voter Registration as part of our National Program "A Voteless People is a Hopeless People". With the coming of the Fall we hope to be able to initiate new members into the Fraternity.

I have announced to the chapters of Area 5, Kappa Upsilon Lambda, Eta Chi Lambda, Sigma Eta and Rho Omicron, that I will be stepping down as the Area Director at the end of August, 2023. I am so very thankful and proud to have been given the opportunity to serve and lead these outstanding chapters and Brothers. I also want to thank my wife, Soror Edweana Aiken of the Alpha Kappa Alpha Sorority, Inc., Iota Alpha Omega Chapter for her continued encouragement support of me as I serve our beloved A Phi A. Our new Area Director will be Brother Shawn Hill. Congratulations to him on his appointment to the position. I ask that the Brothers and Chapters of Area 5 give him the same support and cooperation as they gave to me.

Congratulations to the newly elected officers of the Kappa Upsilon Lambda Chapter, Brother President Geoffrey Gabbedon and VP Inima Ibocko and rest of the chapter officer. Last but not least, thank you Brother Tarver and the Events Committee for your hard work to put on this very special event. I am so proud to be a member of this chapter.

Fraternally always and Yours Truly,

Eugene L. Aiken, Jr.  
Area 5 Director, District III, New York State.

## History of Alpha Phi Alpha Fraternity, Inc.

Since its founding on Tuesday, December 4, 1906, Alpha Phi Alpha Fraternity, Inc. has supplied voice and vision to the struggle of African-Americans and people of color around the world. Alpha Phi Alpha (ΑΦΑ), the first intercollegiate Greek-letter fraternity established for African-Americans, was founded at Cornell University in Ithaca, New York by seven college men who recognized the need for a strong bond of Brotherhood among African descendants in this country. The visionary founders, known as the Jewels of the Fraternity, are Henry Arthur Callis, Charles Henry Chapman, Eugene Kinckle Jones, George Biddle Kelley, Nathaniel Allison Murray, Robert Harold Ogle, and Vertner Woodson Tandy.

The Fraternity initially served as a study and support group for minority students who faced racial prejudice, both educationally and socially, at Cornell. The Jewel founders and early leaders of the Fraternity succeeded in laying a firm foundation for Alpha Phi Alpha's principles of scholarship, fellowship, good character, and the uplifting of humanity.

Alpha Phi Alpha chapters were established at other colleges and universities, many of them historically black institutions, soon after the founding at Cornell. The first Alumni Chapter was established in 1911. While continuing to stress academic excellence among its members, Alpha also recognized the need to help correct the educational, economic, political, and social injustices faced by African-Americans.

Alpha Phi Alpha has long stood at the forefront of the African-American community's fight for civil rights through leaders such as: W.E.B. DuBois, Adam Clayton Powell, Jr., Edward Brooke, Martin Luther King, Jr., Thurgood Marshall, Andrew Young, William Gray, Paul Robeson, Ralph Metcalfe, Sr., Ernest Morial, and many others. True to its form as the "of firsts," Alpha Phi Alpha has been interracial since 1945.

Alpha Phi Alpha today continues its commitment to members of the Fraternity and the African-American community through Alpha University. Through the groundbreaking Alpha University training program, the Fraternity has rededicated itself to fostering a spirit of Brotherhood within the ranks of the Fraternity, preparing a new generation of leaders and bringing consistency to chapter operation and to the implementation of the Fraternity's National and Special programs.

## A Brief History of the Kappa Upsilon Lambda (KYΛ) Chapter

**Kappa Upsilon Lambda Chapter**, the 542th Chapter of Alpha Phi Alpha Fraternity, Incorporated, was chartered on the Tuesday, December 3, 1974, by fourteen men in the Mid-Hudson Valley area of New York in order to continue their commitment to the Fraternity and its motto. Our mission is to help young black males graduate high school and inspire them to become productive citizens through a college education. Our services also include educating our communities on the importance of voting and practicing abstinence.

Our Chapter charter members are referred to as **Pearls** and they are:

- |                         |                         |

The Kappa Upsilon Lambda Chapter serves the New York Mid-Hudson Valley area and its surroundings including the Towns and Cities of Poughkeepsie, Newburgh, Fishkill, Beacon, Wappinger Falls, and Middletown.

The Chapter and its charitable arm, the KUL Foundation, sponsor and support a growing number of mentorship, giveback, and scholarship programs throughout the Mid-Hudson Valley of New York. These include our premiere mentorship program, the **Project Thunder Program**, as well as the **CHRIS Foundation**, participation **LDI or Leadership Development Institutes**; and our newly established scholarship program, the **Christopher Scudder Memorial Scholarship Fund**. To learn more, please see the back cover of this souvenir journal.

Through Project Thunder, and the Chapter and the Foundation, the Chapter implements and provides financial support for the Fraternity's National and Special Programs: "*Go-To-High School, Go-To-College*", and "*Project Alpha*". The Chapter looks to grow its charitable giving and community reach through endowments from Corporate and Community Partners and Sponsors.

After a far too long hiatus, in 2009 the Chapter re-established and held its prestigious **Black & Gold Gala**, a black-tie event used to recognize distinguished individuals and organizations in the Mid-Hudson Valley for their charitable works. It is held every 5 years now. In 2014, the Chapter and the Foundation established the Scholarship Dinner Dance. It is their signature annual event and also serves as a premiere fundraiser with local business sponsorship and your financial support. It provides the Chapter and the Foundation the funding to continue to deliver and expand our top quality mentoring, youth outreach, and community service initiatives, that help build self-esteem, promote career development, inspire good citizenship and civic responsibility, and show the importance of obtaining a college education.
